Welcome to Sweet Home...

Your visit to Sweet Home country is always our pleasure, and we especially look forward to welcoming you to this spring sale. Try to take the time to visit the herds of each of the consignors. Transportation can easily be arranged.

I am having this Sweet Home reduction sale with a great deal of reluctance, and only because the state of my health forces me to do so. The reduction, however, will mean a great deal to everyone who attends the sale or sends in a bid, as absolutely the top of the Sweet Home cattle are selling. Many of the big good females sell with calves at foot and well along in calf again to one of the big Sweet Home bulls.

From the other consignors come an excellent group of both bulls and females, and we recommend them heartily.

Plan a vacation in the Pacific Coast play-town of Newport along with this great sale trip. You'll enjoy it and profit from it.

I'll look forward to seeing you on sale weekend.

BERT KESSI
